

BEACON ARCHERS EMAIL COMPETITION

Competition Rules

This competition is open to all archers affiliated to a Club and to all abilities. All rounds to be shot on a Club night in June 2018 with a target captain in attendance. It doesn't have to be all on the same night, each Club can hold a few competitions throughout June.

There will be a small charge per archer of £2.00 to cover award expenses, payable to Beacon Archers, when Club results sheets are submitted.

To encourage all members of the Clubs to participate there is a special category for archers who are beginners, novices, disabled or archers not confident in shooting the official distance. They can shoot the distances they are comfortable shooting.

There will be the usual awards, a Club Award for the highest average Club score (the combined score of a Club divided by number of entrants). There may be more awards at the end of the competition which will be dependent on entries.

There are individual score sheets and the full club results sheet available on an excel spreadsheet.

Once all scores are recorded a nominated Club representative needs to complete the Club results sheet and send it to Alison Hunter via email jsa_hunter@hotmail.com by **6 July 2018**.
